

# SUGGESTED SONG LIST FOR 3-4 HOUR WEDDING

*The songs are in no particular order but we typically begin with the jazz and New Orleans repertoire and build the energy as the evening progresses. We love entertaining people and we use our 20+ years experience to read and adapt to each audience. This list is only a suggestion. We are open to learning 2 songs not on our list for free. All non-list requests must be made 2 months before the event date.*
